Don't Miss The 33rd Anniversary Of The Annual Lake Norman New Years Day Barefoot Challenge, January 1, 2011

The New Year's Day Barefoot Challenge is one of the oldest water skiing competitions in the WORLD. On January 1, 2011, it will mark it's 33rd year, with skiers enduring the cold water temperatures to ring in the New Year.

[The Carolina Show Ski Team](#) has hosted the Tournament for several years now at the Lake Norman Marina, on Highway 150 in Sherrills Ford, NC. Profits from the tournament go to cover the costs of the fun event, and

contribute to the water ski team - a 501 3 (c) organization.
